

Recognizing & Responding to Implicit Bias

Implicit Bias Training for Healthcare Professionals

Accreditation: 1 CME, CEU, CCM, or CDE credit

Audience: All healthcare professionals, including doctors, nurses, dentists, mental health providers, and frontline staff

About this Course

This course provides an essential overview of the research surrounding implicit bias, its societal prevalence, and its effects in healthcare and the workplace. Participants learn strategies for recognizing and addressing implicit bias, and practice applying these techniques to interactive case scenarios.

Learning Outcomes

- ✓ Understand cognitive shortcuts used by the brain to process information
- ✓ Explain implicit bias and provide real-world examples
- ✓ Assess the potential consequences of implicit biases when interacting with others
- ✓ Apply strategies to minimize the impacts of implicit bias in various situations
